Finding better solutions means innovating.

Gain an edge by a wealth of grassroots experience.

Auditor is an auditing firm and tax consultancy that specializes in comprehensive services for the Czech and Slovak Republics. You receive professional advice and support in all financial, book-keeping, technical and legal tax matters. We further stand for bespoke consultancy and customer service, always based on the latest information. As a client you profit from profound local expertise combined with access to a worldwide network of tax consultants, UHY-Urbach Hacker Young International.

With Auditor you can expect interdisciplinary thinking and tailor-made solutions. Our flexibility further shows in rapid response times, multi-lingual services and state-of-the-art software tools.
